Petition:

These petitions involve the issue of a good cause reschedule request of the petition to the Value Adjustment Board. Legal Counsel considered the request and Petitioner/Property Appraiser has included correspondence and data. The requisite legal standard of review for a petition is that a petitioner/Property Appraiser may request a rescheduling of a hearing for good cause before the scheduled appearance or as soon as practicable. Pursuant to Florida Statute Section 194.032(2), F.S. the petitioner and the property appraiser may each reschedule the hearing a single time for good cause. As used in this paragraph, the term “good cause” means circumstances beyond the control of the person seeking to reschedule the hearing which reasonably prevent the party from having adequate representation at the hearing.

**FINDINGS OF FACTS:**

The good cause reschedule request was filed on **DATE**. **FINDINGS (reason for request and reason for granting)** Petitioner/Property Appraiser did show good cause to warrant granting the reschedule request in that reasons exist that reasonably prevent the party from having adequate representation at the hearing.

**CONCLUSIONS OF LAW:**

This order does not reach the question of the petition’s merits. The threshold question to answer is whether good cause exists that would warrant granting a rescheduling of the petition date. The answer is affirmative, and the clerk is directed to reschedule the hearing date pursuant to the rules. The burden of proof is on the petitioner, and there was sufficient evidence to carry that burden in this matter. Petitioner/Property Appraiser did show good cause, and accordingly, this reschedule request is GRANTED.
